

Dear Group Leader,

Please find attached a list of all the meal choices for your residential stay in 2010.

We have taken into consideration all the positive feedback we have had during the previous seasons since we have adopted the new scheme of meal options and have changed the menus accordingly.

At New Barn Field Centre we are always looking at new ways to promote local produce and support the farmers and producers that are in our local area. Therefore when planning our menus we endeavour that all the produce wherever possible has come from the surrounding area and is seasonal.

In 2008 we added a "Home Made" section to our menus, we feel that this was a success and have kept many favourites but also added some new choices that we feel may tempt your taste buds. This is just one step we are taking to make all of the food at New Barn more healthy and nutritious for all the children that stay with us.

It is our aim over the coming years to make New Barn more self-sufficient with some of our produce coming directly from ourselves to the menus and food that is supplied here at New Barn.

Could you please return your completed menu choices to us within 14 days of your arrival with any dietary needs or concerns.

If you have any questions or suggestions regarding our menus please do not hesitate to get in touch.

We are all looking forward to welcoming you to New Barn in 2010
